LJCC PROGRAM AFFORDABILITY INFORMATION

We work together to build a community that is inclusive to all, one that is founded upon the belief that our community is stronger when we participate in Jewish life.

We are blessed with the ability to be shepherds of our Community's scholarship funds and take seriously our responsibility to make these funds available to all who may need scholarship assistance.

When each member of the community participates in our Camp programs, our community becomes much more than the sum of its members. Our lives are enriched by these binding relationships, helping us to grow from the richness of our individuality.

We welcome scholarship applications throughout the year. Some programs have registration periods. For these programs, priority will be given to those applications received by June 1st, and September 1st, as noted in each program. Members must be registered for the program prior to being considered for a scholarship.

Scholarship Applications are available via email. Email your request to: **scholarship.committee@charlottejcc.org**. Complete and return the application along with the requested documentation and a copy of the camper's registration to:
Scholarship Committee / Levine JCC

**Note: If you have filled out a scholarship application for Membership in 2019, you do not need to fill it out again. Instead, please write "Scholarship application on file" on the member's registration and turn it in. The deposit is still required.*

If you have questions please contact the LJCC Scholarship Committee: scholarship.committee@charlottejcc.org or ask a staff member for assistance in navigating the scholarship process.

Hillel said,
"Do not separate yourself from the community", and in this spirit, we ask: Say Not: When I need it more, I will apply for scholarship. Help us to live our values by joining with us in community, apply today!
