

Get your family ready
to **GO GREEN!**

SHALOM GREEN
Jewish Values, Sustainable Living
Shalom Park Environmental Initiative

shalom
Green

challenge

learn ✨ discuss ✨ act ✨ unite

The Levine JCC, Temple Beth El, Temple Israel, the Jewish Federation of Greater Charlotte and the Foundation of Shalom Park have teamed up for the Shalom Park Environmental Initiative – **SHALOM GREEN**.

LJCC Cares will be leading the “**Shalom Green Challenge**,” beginning in October. Families will register to receive monthly challenges – connected to Jewish values – to live more sustainably at home. The challenge will include learning opportunities, activities, discussion topics and special events (TBA) to get families working together to GO GREEN!

Sign-up to receive monthly e-mails with detailed information connected to each theme on what your family can do to:

- **LEARN** – about important environmental topics and Jewish values related to them
- **DISCUSS** – with your family ways you can get involved
- **ACT** – to live more sustainably in your home
- **UNITE** – through special events and social media with other families who share your interest

To participate, send an email to:

julie.rizzo@charlottejcc.org

Include names of all family members
and e-mail address.

***The first 50 registrants/families will
receive a special eco-friendly gift!**
