Our Philosophy
At Mindy Ellen Levine Day Camp, we believe that a summer camp experience can have positive and lasting benefits for your child. Through making friends, participating in an array of activities, learning new skills, being outdoors, and experiencing Judaism; camp becomes a place where campers have fun, grow, and feel good about who they are. Our campers follow a schedule that takes full advantage of all Shalom Park facilities. Our specialists develop their activity centers so that campers have fun experiences, learn new skills, and accomplish goals. Your child will return home at the end of the day with a sense of accomplishment and satisfaction. After all, that is what camp is all about. At Camp Mindy, we also encourage the expression of feelings and ideas and work with our campers so that they develop a sense of respect and understanding for the feelings and opinions of others. As a Levine Jewish Community Center program, the Mindy Ellen Levine Day Camp emphasizes Jewish identity and traditions. Through Jewish life experiences and learning about our history and culture, we instill a special feeling of pride in all our campers. A Jewish camp helps ensure that these values and beliefs are transferred to the next generation.

The Mindy Ellen Levine Day Camp is always fortunate to have a significant number of returning staff creating an atmosphere rich in professional experiences and camaraderie.
**CAMP MINDY Policies & Procedures**  
(Specialty Sports Camps Policies on page 16)

**SCHOLARSHIPS**  
Please see page 19 for Levine JCC Camp Scholarship Information.

**CAMP FORMS**  
All completed camp forms must be turned in by May 1, 2020. Campers will not be allowed to attend camp without medical forms.

**TERMS OF ENROLLMENT**  
- Camp Administrative Staff reserves the right to cancel any camper’s enrollment or dismiss a camper whose medical condition, conduct, influence, or behavior is deemed unsatisfactory to the best interests of camp.
- In order to guarantee the optimal experience for children enrolled in camp programs at the LJC, group sizes are limited and size limits will be strictly observed. Camp administrators place children in the group that best serves each child’s developmental needs. Staff will use the child’s date of birth, gender, and the number of camp weeks for which the child is registered to determine the most appropriate placement for each child. The final decision will be made by the Camp Administrative Staff. Parents will be notified of group assignments in the days prior to the start of the camping season.

**KOSHER / FOOD POLICY**  
- The Levine JCC is a kosher facility. All food and drinks provided by camp are done so in accordance to the laws of Kashrut (Jewish Dietary Laws). Campers are required to bring a kosher lunch to camp each day.
- The Levine JCC is an allergy aware facility. We take very precaution to ensure children with food allergies are safe, but we do not limit what campers can bring for lunch.

**SWIM PROGRAM**  
Our swim program is designed to encourage campers at all levels to improve and strengthen their aquatics skills. The camp lessons follow the same curriculum as our JAWS Swim School. Our “9-step” approach to learning to swim has been specifically designed to teach children to swim and be ready for a competitive swimming environment upon completion of the process. The prerequisite requirement for each tier is the successful demonstration of the skills from the preceding class, except for the first tier. Swim evaluations will take place during the first few days of camp. Each tier of classes includes safety training. If you have any questions regarding the swim program, please contact the LJC Aquatics Director, Josh Steinerberger at 704-944-6746.

**Camp Katan**

**PRESCHOOL UNIT: Age 1 – PreK**

At the Katan Unit of Camp Mindy, your preschool camper will experience a new world of fun! Their days will be spent making new friends, learning new skills, and experiencing exciting new activities in a safe and secure summer environment, while celebrating Jewish ideals in a traditional day camp atmosphere. We offer small groups, dedicated and caring professional staff, and a varied schedule with music, arts and crafts, games and sports, swim lessons, sprayground, and more. We encourage the campers to grow and have fun while making them feel safe and protected in an age-appropriate facility. Your preschool child will be talking about camp for weeks after the summer is over. Give your child the gift of camp – a summer experience that is truly amazing!

Teen Camp

TEEN UNIT: Grades 6-10

Gesher Traditional Camp
Rising Grades 6, 7, 8

All 6th graders will be placed in the same group, however, there may be exceptions. Administrative staff will have the final say on placement decisions.

Teen Camp consists of rising 6th, 7th and 8th graders where campers enjoy 2 days of “traditional” on-site activities including swimming, sports, archery, and canteen, as well as fun activities just for teens including Improv, chocolate making, and Color War. Every Friday your camper participates in a community service day. Whether we are making sandwiches for the homeless or making knotted blankets for the Humane Society, Friday is our day to take part in Tikrur Olam (Repairing the World). The other 2 days we travel off-site traveling to all sorts of exciting places, such as the US National White Water Center, Carowinds, or Sports Connection.

CIT/LIT Leadership Camps
Rising Grades 9 & 10

Acceptance into the CIT/LIT programs is based on an application and interview.

CIT & LIT Programs provide a summer experience that will give 9th and 10th grade teens, who want to work with children, a greater understanding of what it means to be a Summer Camp Counselor. Both programs take part in leadership building activities, skills development, and group trips.

The CIT program focuses on the daily structure of camp and counselor schedules. Teens are introduced to planning counselor led activities, basic First Aid training, team building activities, circle games, and how to become an effective and successful counselor. They are also assigned to a group to observe counselors in action.

The LIT program focuses on the daily ins and outs of making camp run successfully. Teens learn to plan group activities, modify activities for various age groups, child development, guidance techniques, and First Aid training.

CITs/LITs take part in an evaluation based on their performance during the program. This evaluation will be considered when applying for employment as a Junior Counselor for Camp Mindy in future summers.

Athena’s Path 1 & 2
Leadership Camps for Girls
Girls, Rising Grades 6-8

Athena’s Path camp is a fun time for girls, filled with funny games and activities, cool instructors, and lively discussions—all about middle school. The social drama of middle school can take its toll on academics, self-esteem and attitudes about school. Our games and activities teach girls the tools they need to navigate the middle school social scene and be the leaders of their own lives. Our tools give girls confidence to solve their own problems in middle school, and beyond! Our high school interns are great role models, make the activities more fun and help the girls feel comfortable. Your Athena’s Path girl discovers that being a leader doesn’t necessarily mean being class president. It means solving problems creatively, doing what she believes in right, and staying true to herself. She will learn valuable social skills and make new friendships along the way.

Schlichim Program
Camp Mindy is proud to annually sponsor two Israeli nationals who will join our Camp community for the summer. These “Ambassadors” will work with campers and staff to bring Israel a little closer to all. These men and women are carefully selected for their willingness to work with children and understanding of Jewish education.

We are seeking warm, welcoming host families to provide a home away from home for one Schliacha, for these dates:

- June 5–26
- June 26–July 17
- July 17–August 9

If your family would like to open your doors and provide hospitality (a mitzvah), please contact: Mark DiDonato 704-944-6738.

TEAM CAROLINA IS GOING TO SAN DIEGO!

Each year, over 3,000 teens from around the world come together in North America to compete in this Olympic-style sporting event and arts competition. Team Carolina ambassadors will compete in the 2020 Games and ArtsFest in San Diego. Registration for the Games is easy, but being a delegate on Team Carolina takes commitment.

Commitment to your JCC, commitment to mitzvah, commitment to family and community becomes much more than the sum of its members. Our lives are enriched by these binding relationships, helping us to grow from the richness of our individuality.

We welcome scholarship applications throughout the registration period; priority is given to applications received by February 28, 2020. Campers must be registered for camp in order to be considered for a scholarship.

We work together to build a community that is inclusive to all, one that is founded upon the belief that our community is stronger when we participate in Jewish life. We are blessed with the ability to be shepherds of our Community’s scholarship funds and take seriously our responsibility to make these funds available to all who may need scholarship assistance.

When each member of the community participates in our Camp programs, our community becomes much more than the sum of its members. Our lives are enriched by these binding relationships, helping us to grow from the richness of our individuality.
