A Message From Your CEO

Peter Blair

peter.blair@charlottejcc.org

Dear Members,

I hope you enjoy this edition of JImpact, our spotlight on the impact that your Levine JCC is having in our community. This impact would not be possible without your support and I want to thank you for supporting your Levine Jewish Community Center. Thank you for taking the time to understand our story and our efforts to have an impact on not only the present, but also for the future. Thank you to those of you who have already come forward to make a donation to JBuild, our capital campaign.

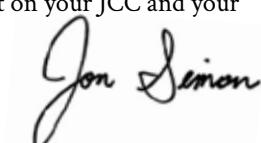

We are in the “home stretch” of our LJCC Capital Campaign. I am incredibly grateful to all of you who have participated and shown how much you care about this amazing facility.

On December 31st we will conclude the campaign. Just as important as reaching our monetary goal, is the number of members who participate. Our fundraising goal is one I want to accomplish TOGETHER. My wish in the New Year is for all of us to enjoy our facility improvements TOGETHER and take great pride in our LJCC home for years to come. Your hard earned dollars are already at work. Rest assured that we are careful with every penny spent. We are diligent in our design work and thoughtful about the way the space will function.

Our family locker rooms recently opened, the pool demolition work has begun. By this time next year we will have enjoyed our first summer in our newly designed swimming area. Soon thereafter we will begin design work on the adult locker rooms.

If you have already made a donation, I hope you will encourage your friends to come forward and consider being part of the group of people who contribute to ensure the future of the Charlotte Jewish Community. I can promise that the LJCC will be playing a major role in that future. I hope you will consider making a gift over a 5 year period that will truly make an impact on your JCC and your community just as Stephanie and I did.

La Shana Tova,
Jon Simon

I always enjoy the month of Elul, as it offers us time to reflect upon the past year and vision forward to the coming year. It provides us all with renewed energy, as hope is the prevailing emotion of the month. As I sit and reflect upon the past year, I have tremendous pride in the accomplishments of our Levine JCC. We have partnered with many organizations to strengthen our Charlotte community, we have invested in our members through new programs, and we have engendered the support of hundreds within our community to build the foundation for our future generations through JBuild, our Capital Campaign.

Our success in the past year provides us with a strong foundation for the coming year, 5777:2017. In this coming year you will see us invest heavily in your member experience as we recently unveiled our new Family Locker Rooms and in the Summer we will open our new outdoor Aquatics facility, anchored by the new Star Pool. You will also see continued investment in our programming for Adults and in the Visual and Performing Arts programs for our entire community. These investments, coupled with our sustained support for our Sports, Fitness, Aquatics, Early Childhood, School Age, Teen, and Senior programs, help to foster our strong and vibrant Jewish Community.

These future and continued investments will ensure that we are *Putting the J at the front and the Community at the Center*. Our Levine Jewish

Community Center is strongest when we are curators of Jewish experiences. These experiences, when shared between members of our JCC, form the foundation of our Jewish identity. This identity is not only an individual journey of discovery, but is also a collective journey, shared amongst the members of our greater Charlotte Jewish community. The leadership of the JCC, staff and volunteers, believes strongly that the investment we make in our journey will ensure our future for generations to come.

I hope that you will join me this year at the J in investing in our community. I hope that you will join your neighbors and your friends in the journey of figuring out what role you play in our community's story. Every one of us has our own "IF NOT FOR THE J..." personal story... Would you have met the other moms strolling their babies through the halls? Would you have met your personal trainer and made healthier, lifestyle changes? Would your children have dressed up for the Purim carnival? Or gone to Camp Mindy? Would you have easily met new friends when you moved to town?

This year, we will write another chapter in our community's JStory. What part will you play in that story?

L'Shana Tova,
Peter Blair

2016 Levine JCC

Kids Triathlon

On June 5, 2016, the Sandra and Leon Levine Jewish Community Center – with the help of staff, a lay committee and more than 65 volunteers – hosted the 5th Annual LJCC Kids Triathlon, sponsored by the Charlotte Knights. This amazing event benefits pediatric rehabilitative services at Levine Children's Hospital and its Adaptive Sports and Adventures Program.

This special event is about more than just good, fun athletic competition – it is about giving back. Children of all ages, athletic abilities and cultural backgrounds – from the greater Charlotte community – participate in swimming, biking and running for a cause. Money is raised through both corporate sponsors and individual participants. Prizes are awarded to the top three fundraisers each year!

More than 650 people from the community attended this year's event, including 194 participants, seven of whom were from the Adaptive Sports and Adventures Program!

"What an amazing, fun and inspirational race. The entire team should be so proud!"

"An amazing day for my four kids. We are so proud to be part of the LJCC that does such amazing things for the entire community."

"This is always one of our favorite events. So a huge 'thank you' to all of you for not only organizing a great fundraiser, but an event that our kids look forward to every year!"

"We had the best time at the triathlon. Our son did so well and we are thrilled to be a part of it!"

"Thanks for doing a GREAT JOB on this year's Kids Triathlon. It's the best organized race we do; all of the volunteers are so helpful and warm and you do a great job with the fundraising motivation as well as day of logistics."

"We love the Kids Tri and it gets better every year!"

OASIS

Levine JCC Senior Enrichment Program

ENRICH * ENLIGHTEN * ENJOY

Oasis is more than just a senior center. We are a family. Oasis welcomes all adults ages 50 and over from the Greater Charlotte area, to gather, to socialize, to pursue intellectual stimulation, to participate in physical and health promotion programs, and to eat nutritious meals together.

Oasis meets five days a week and every day is different. Over 1000 programs are offered each year by Oasis, fulfilling our holistic wellness goals for all members in our community. The program is a vital part of ensuring senior happiness in our community. The community formed in Oasis minimizes the challenging and often difficult transitions of aging through active involvement and connection with a network of peers via social activities, educational opportunities, and physical fitness. Oasis is made possible through the generous scholarship support for participant memberships, transportation subsidies, and lunches for those in need. We are pleased that in our history we have not turned anyone away for financial reasons.

Oasis is the only senior enrichment program in the area that provides free transportation to participants. By ensuring that we are meeting the needs of all Seniors, especially those who have difficulties getting out of their homes, we are meeting the needs of those in our community who are the most vulnerable; as their access to socialization and physical activities is greatly limited by their inability to drive themselves.

Oasis reminds us, that there is a big difference between simply living and being alive. In Oasis, the members of our community of a more distinguished age build and strengthen their relationships, for the need for strong relationships doesn't end as we age, rather they grow more important. Many of our participants have lost their spouses, or have moved from other cities, and they come to Oasis to write the next chapter in their life journey. With the help of many volunteers, we help to write that chapter through active engagement in programming which stimulates our minds and bodies. Programs such as Exercise of the Mind, Painting & Beyond, Current Events, Judaism for the Curious, Senior Exercise Classes, Health Insurance counseling, and Kosher lunches are the backdrop to the stories we write together.

With the continued support of our community members, our passion to ensure the seniors in our community live happy and healthy lives through their engagement in Oasis will continue. We hope to see you soon.

We thank STANLEY P. GREENSPON for his generous support of Oasis.

J Story

If not for the J...

Judy Kalier

When I became a member of the Levine JCC, I never could have imagined how much the J would enhance my life. At age 77 I now work out 3-4 times a week and have found many ways to reconnect with the Jewish community. I love the J because I am always greeted by the friendliest staff that encourages me every time I walk into the building. The JCC fitness staffer Brent Miller has really had an impact on my life. Brent continues to motivate me to keep coming back each week. There are certainly days when I don't feel like working out, but remembering that I have someone at the J holding me accountable keeps me coming back week after week. Brent may be young, but he's my J "hero".

THE TEEN SCENE

Georgia Englehardt

I have had a blast participating in the JCC programs. My world has expanded in the category of performing arts as well as learning how to maximize my athletic potential both in swimming and JForce Youth. By being in the teen camp summer program, I have gone on many fun trips and made friends while helping the community during Fridays' Community Service. Overall through the Levine JCC activities, I have strengthened in my abilities as well as reaching out to the community and creating lifetime memories.

Alana Pries

Being a teen at the JCC has impacted me more than most could imagine. Because of my experience at the JCC, I have met some lifelong friends, peers, and even adults who to this day, I will always remember! The best part of being a teen at the J was without a doubt, teen camp. Every day at teen camp was a new and enjoyable adventure that I wish I could still be a part of today. Now that I have gotten too old for teen camp, I have been using a great program at the JCC to train to be a counselor. Considering that I have been going to the JCC for camp since I was only 2 years old, it's amazing to know that I can now be a counselor and hopefully give kids the amazing experiences that I had as a camper. I am so thankful to the JCC for giving me such memorable years as a teen. It's something I will never forget!

"We want to do everything we can to keep Charlotte's Jewish community thriving. The JCC is where we've made our friends, where we've raised our children, and where we've made our home. We can't imagine a Charlotte without the JCC in it, and we want this special place to be around for every Jew who enters Charlotte.

The Legacy program offered us the perfect opportunity to give beyond our current means, and even beyond the time when we are physically able. We love that this final act of TZEDAKAH not only leaves a Jewish legacy for our community, but also serves as an enduring example for our children."
